Web Development:	HTML, CSS, JavaScript
Android Development:	Java, Android Studio (basic app development)
Tools and Technologies:	Docker, MongoDB, Git & GitHub
Python Libraries:	NumPy, pandas, Matplotlib
Problem Solving	

Soft Skills   Problem-solving,Communication,
Time Management,Self-motivation

PROJECTS

Portfolio Website

Description: Developed and designed a responsive portfolio website to showcase my projects, skills, and academic achievements. The website features interactive elements and demonstrates proficiency in HTML, CSS, and JavaScript. It serves as a digital hub highlighting my passion for technology and innovation in software development.

Technologies Used: HTML, CSS, JavaScript

Role: Solely designed and implemented the website, emphasizing user experience and visual design principles.

EXTRA-CURRICULAR ACTIVITIES

- **NSS Volunteer**

  Description: Actively participated as a volunteer in NSS activities, contributing to community service and social initiatives.
